

MOBILE PHONES – STUDENT USE

RATIONALE

To explain to our school community the Department's and Melba College's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours. NOTE: this policy to include other personal mobile communication devices that have a similar functionality to a mobile phone, including smart watches, iPads and Tablets.

SCOPE

This policy applies to:

1. All students at Melba College
2. Personal mobile phones and other personal mobile devices brought onto school premises during school hours, including use at recess and lunchtime.

DEFINITIONS

A mobile phone is a device with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, 'mobile phone' refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone, including but not limited to items such as smart watches and other items as listed above.

POLICY

Melba College understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Melba College:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours, from 8:45 am to the completion of the school day.
- Exceptions to this policy may be applied if certain conditions are met (see below)
- When emergencies occur, parents or carers are expected to contact the school's office on 9870 4551 for information. Updates (during any emergency) will be sent out to all families via Compass as needed.
- Students at school, who need to contact their family/parents/carers, should discuss this with their Student Engagement Leader, Sub School Leader, Wellbeing Centre or one of the Assistant Principals.

Personal Mobile Phone Use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Melba College during school hours (from 8:45 am to the end of the school day), including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner. Exceptions to the mobile phone use policy can only be granted by the Melba College Principal or one of the Assistant Principals.

Exceptions

Exceptions to the policy:

- may be applied during school hours if certain conditions are met, specifically,
 - Health and wellbeing-related exceptions; and
 - Managing risk when students are offsite.
- can be granted by the Principal or Assistant Principal, or by the teacher for that class, in accordance with the Department's [Mobile Phones Policy](#).

The three categories of exceptions allowed under the Department's [Mobile Phones Policy](#) are:

1. Learning-related exceptions

Specific exception	Required Documentation
For specific learning activities (class-based exception, for example in Media Studies or IT related areas)	Unit of work, learning sequence or other learning task that requires the use of a mobile phone or communication device

Note:

Some examples of health and wellbeing related exceptions may include but are not limited to:

- a young carer providing care to a parent with a health issue may need to use their mobile phone to discuss health issues with medical professionals and the person they are caring for, during the school day.

3. Exceptions related to managing risk when students are offsite

Specific exception	Required Documentation

Students on excursions and camps	Risk assessment planning documentation

Exceptions to use a mobile phone at Melba College can only be granted by a member of the Principal Class team. Where an exception is granted, the student can only use the mobile phone for the purpose for which the exception was granted.

Camps, excursions and extracurricular activities

Melba College will provide students and their parents and carers with information about items that can or cannot be brought to camps, excursions, special activities and events, including personal mobile phones. This information will appear on Compass connected to the event information.

Secure Storage

Mobile phones owned by students at Melba College are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so.

Please note that Melba College does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Melba College's Personal Property Policy and/or the Department's [Personal Goods policy](#).

If a student brings a mobile phone to school, the student is required to use their locker as secure storage. Every student must have their locker locked at all times.

Enforcement

The enforcement of the mobile phone policy at Melba College will comply with the Department's [Ban, Search and Seize Harmful Items](#) policy relating to 'other items'. This states that staff '*should instruct the student to hand over the item(s) and if the student refuses to hand over the items, implement the relevant disciplinary provision within the student code of conduct.*'

Students who use their personal mobile phones inappropriately at Melba College will be issued with consequences consistent with Melba College's existing 'Student Engagement and Wellbeing Policy'.

At Melba College inappropriate use of mobile phones is understood to include '**any use of a mobile phone or other communication device during school hours**', unless an exception has been granted by a member of the Principal Class.

This particularly includes, but is not limited to, mobile phone use:

- that in any way disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, and gyms
- during exams and assessments.

Consequences for Inappropriate Use of a Mobile Phone

- The student must immediately hand their phone/device to a staff member when requested to do so
- The staff member will hand the phone/device to the administration staff at the end of the lesson, for keeping in the phone safe for the remainder of the day. Phones will be stored in the following offices:
Years 7 and 8 Building B Administration / Reception

Years 11 and 12 Building D Administration / Reception
- The administration staff in these offices will document all infringements on Compass
- The student can collect the phone/device from these secure storage areas after Period 5 each day.
- If there is a second infringement, the phone/device will be returned by their relevant Student Engagement Leader.
- A third (and any further) infringement will result in the Assistant Principal contacting the parent/carer. The phone/device will be returned to the parent/carer. It will not be given to the student.

Further consequences will result if the student is non-compliant with any of the steps above.
